

LATEST REGISTER NEWS

Abbreviations used in this section: NTU = not taken up; cx = cancelled; xptd or (X) = exported; dd = delivered; conseq = consecutive; m = renamed; DBA = Doing Business As; FD = import candidate; SR = sale reported; RP = registration pending (quoted only when Bill of Sale date has been established but some documents for official registration are still missing); esp = export sale pending. C/ns preceded by a side-triangle indicate that the entries are pending. When preceded by a square with an "R" the entry is a restoration, with an "A" it is an advanced notice of an application for US registration, or with an "N" it was not taken up. A "T" indicates taken up. Dates are given in DDMYY format and refer to application or delivery dates unless prefixed with an "R" in which case they are the official registration dates. Amendments are given in [] brackets with the appropriate AMCAR issue reference. See AMCAR43 pp 21/22 for the most recent Manufacturer INDEX as applied in this section. For reasons of space certain production aircraft of new manufacturers are listed in the Supplement section.
